About EMSA NORTH

EMSA NORTH, previously known as the Edmonton North Zone Soccer Association is one of the largest youth soccer zone within the Edmonton Minor Soccer Association. We are proud to cater to the grassroots of soccer in the North Zone by offering a fun and exciting soccer program which provides an extremely popular and valuable form of youth recreation to over 34 communities in North Edmonton. We host 2 tournament each year, one during the indoor season and one during the Outdoor season. All proceeds from our Indoor Tournament; The FC Memorial Challenge, are used to support our Club Soccer Program, FC Xtreme. While revenue from our outdoor tournament; The Summer Sizzler, is used to support our community soccer program.

- Our organization is volunteer driven. As a result our program is affordable and cost subsidization remains a viable option for those families suffering hardship.
- Our mandate is to provide a low cost, family value based outlet to encourage youth development in a safe and friendly environment where all players have an opportunity to participate regardless of social or economic barriers.
- EMSA NORTH is a not-for-profit soccer association responsible for fostering the growth and development of soccer for children and youth within the Northern borders of the City of Edmonton. We represent 31 of the 155 active communities in Edmonton. The remaining 124 communities are split between five other zones.
- Our membership includes over 7,900 children, 1200 dedicated coaches and hundreds of other amazing volunteers.
- We are affiliated with Edmonton Minor Soccer Association (EMSA), the Edmonton Federation of Community Leagues (EFCL), the Alberta Soccer Association (ASA) and the Canadian Soccer Association (CSA).
- EMSA NORTH is governed and operated by a 10 person volunteer Executive, 29 volunteer Directors and 3 paid Office Staff.

Why Support EMSA NORTH?

When you associate your brand with our group of communities, coaches and volunteers – not to mention the youth; this strategically places you in a supportive position within Edmonton's community-minded marketplace.

- You are directly supporting the communities under our membership who assist in running a soccer program.
- EMSA NORTH promotes financial assistance to families in need and proceeds from our tournament help fund our hardship programs.
- Putting young children in organized recreation helps in the development of their physical capabilities and motor skills. It teaches them positive values and life skills. Physical activity programs like soccer are directly linked to children performing better in school as well as crime prevention.
- Half of Alberta's adolescents between the ages of 12-19 are not getting enough physical activity. (Edmonton Sport Council).
- 81% of 15-17 year olds play team sports versus only 30% who say they participate in individual activities (Canadian Social Planning Council).
