Title: Refund Policy for Indoor 2022.23

A player refund will be accepted and approved as long as it is submitted in writing prior to September 21st to programs@emsanorth.ca less a \$25.00 administration fee. Any requests for refunds after this date will not be provided.

Exceptions to this policy will be:

1. In the event the player suffers a medical issue that renders them unable to play for the remainder of the season we will pro rate their fees per game and apply a credit to the account for the following season's registration. Medical documentation will be required.
2. In the event that the season is cancelled due to government restrictions concerning the pandemic the portion of the fees related to facility rentals and referees will be prorated on a per game per player basis and refunded back to the player. All other costs are fixed and will not be refunded back to the player, a seasonal delay does not constitute a seasonal cancellation. **The Indoor 2022/2023 season may occur anytime within the ASA posted outdoor season dates which are October 1st, 2022 to April 30th 2023**
3. In the event a team / cohort must isolate due to a COVID related issues any missed games will be made up for at a later date and scheduled through the EMSA at no extra charge, no refund of fees would be provided for this purpose.

Purpose: To provide information on how refunds will be handled during the Pandemic. A refund request by a parent and not due from government related restrictions has a deadline due to the fact that the organization pays its governing bodies and end users after a certain date based on this commitment of registration by our membership. Those registration fees paid are unable to be refunded back to the zone office after September 21st when teams are declared and formed
