Soles for Soccer – Looking for Donations

EMSA North's Soles for Soccer program helps ensure every child has the soccer gear they need to play safely, fit in with their peers, and have fun.

If your child has outgrown their soccer gear and it's still in good condition, consider giving it a second life through Soles for Soccer!

All items are cleaned, disinfected, and repackaged, ready for the next young player to enjoy!

Check your closets, find those outgrown cleats, and help us make a difference!

Donation Drop-Off

You can drop off your donations at our office during regular hours:
